

Data Sheets

COLOUR DIGITAL

A laser guaranteed colour copier grade, premium digital uncoated paper, with inkjet compatibility quality provides a great flexibility for office use. The sturdy and bulky sheet ensures running performance on machines. The superior surface along with 98% brightness grants vivid and crisp colour image on colour copiers and digital offset presses. Smooth and even surface treatment provides the feel and touch of a premium silk sheet on colour copiers.

Suitable for HP Indigo, Colour Press and Inkjet Printer
